

Union Grange will not hold its regular meeting this month because of so much sickness in the community, and sorrow having come to the home of Brother Charles Seely in the death of his daughter Gladys. We will therefore meet the second Saturday in February. O. F. Larson, Master.

As this paper was going to press last week word was received that C. N. Seely, east of Woodburn, had died the night before and this was inserted in last issue. It was an error that we deeply regret as well as to announce the fact that on that night Mr. and Mrs. Seely's daughter, Gladys I. Seely, passed away. She was ten years of age and the idol of her parents. She had pneumonia following influenza. All who knew her loved her, so sweet a disposition did she possess. Mr. and Mrs. Seely, who have the sympathy of the community, with the rest of the family have been confined with influenza. The funeral of Gladys was held Friday, interment being at Belle Passi cemetery, where Rev. C. L. Dark held services.
